# REISSUE APPLICATION DECLARATION BY THE ASSIGNEE

Docket Number (optional)  
P56219RE

I hereby declare that:

My residence and post office address and citizenship are stated below next to my name.

I am authorized to act on behalf of the following assignee: SAMSUNG ELECTRONICS CO., LTD.

and the title of my position with said assignee is: Senior Manager, Intellectual Assets Group

The entire title to the patent identified below is vested in said assignee.

Name of Patentee(s): CHUN-GEUN CHOI

Patent Number: 5,828,834

Date of Patent Issued October 27, 1998

Title of Invention: APPARATUS AND METHOD FOR SETTING AN ID CODE USING A MICROCOMPUTER IN A DISPLAY DEVICE

I believe said patentee(s) to be the original, first and sole/joint inventor(s) of the subject matter which is described and claimed in said patent, for which a reissue patent is sought on the invention entitled APPARATUS AND METHOD FOR SETTING AN ID CODE USING A MICROCOMPUTER IN A DISPLAY DEVICE.

the specification of which

☒ is attached hereto.

☐ was filed on \_\_\_\_\_ As reissue application number \_\_\_\_\_ / \_\_\_\_\_  
and was amended on \_\_\_\_\_

(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below.  
(Check all boxes that apply.)

☒ by reason of a defective specification or drawings.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☒ by reason of other errors.

At least one error upon which reissue is based is described as follows:

I believe the original aforesaid patent to be wholly or partly inoperative because claims 1, 3, 11, 13, 21 and 22 to be too narrow and inadvertently failed to secure to the Patentee a sufficiently broad scope of coverage, because these claims inadvertently restrict coverage to cathode ray tube displays. These claims should be claimed more generically to cover liquid crystal displays as well as cathode ray tube displays. The specification uses the term "display system" and this can be interpreted to include "liquid crystal display" devices as well as "cathode ray tube" display devices.

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.
